Fig.3 is a cross-sectional view of a mechanical assembly. A central vertical component 54 with a tapered top 56 is mounted on a base 60. To the left is a horizontal hatched layer 58 with a vertical feature 68. To the right is another horizontal hatched layer 70 with a vertical feature 72. Below these is a horizontal layer 74. A vertical component 76 is positioned between the base 60 and the layer 74. At the bottom are two horizontal layers, 66 and 62, with a line 80 extending from the right side.
